About Me

Hello, I'm Charles a graphic designer living in Hampshire. I am passionate about branding, typography, editorial and digital design. I like to learn new things by listening carefully and asking the right questions. I can get to the core of the conversation very quickly.

I am inspired by everything that surrounds me, but here are a few names that have made me look twice, listen hard and drive me onto better ideas. Tommy Pocket, Pentagram, Ken Adams, Norman Foster and Craig Ward
